1. The Panzer Kaserne on August-Debel-Strasse, Burg (M 53/Y 61), was occupied by a small rear detail on 13 July 1950. The guards wore tank insignia. No motor vehicle traffic was observed. \*

2. Truck ☐ and four prime movers towing guns of about 150 mm caliber left the Artillerie Kaserne on Zerbster Chaussee, going toward Altengrabow. ☐ Each prime mover was occupied by one officer, one driver and eight men. Four caterpillar tractors towing AT guns of about 100 mm caliber, coming from the direction of Altengrabow, entered the Artillerie Kaserne in the afternoon. ☐

☐ Comment. Ten tanks and 15 trucks of the 136th Gds Hvy Tank SP regt stationed in the Panzer Kaserne were unloaded in Burg on 22 June 1950, according to a report on military shipments. ☐ The reported light occupation indicates that the vehicles unloaded presumably did not belong to a unit but possibly were damaged tanks and trucks.

☐ Comment. Besides elements of the 207th Mtz Rifle Div, artillery units, possibly AT, of the Third Shock Army or of the IV Arty Corps, and elements of the unidentified AAA Div, possibly the 32d, of the GDFG are probably also stationed in these barracks.
